Mike Warnke Set to Speak

Rancho Mirage, CA, December 4, 2010: Pastors Jeff and Melissa Walker invite you to an evening of laughter and inspiration as they welcome special guest **Mike Warnke** on Sunday, January 9th at 6:00PM on the Victory campus in Rancho Mirage. As a speaker and Bible teacher, Mike uses his unique comedic style to effectively minister the gospel. Mike has authored four books and has recorded 15 live concert appearances in addition to his ministry schedule.

Celebrating more than thirty years in fulltime ministry, Mike openly shares his painful past as a satanist high priest, hippie, drug addict, and Vietnam Marine Corp medic as a means to connect with others. He knows firsthand that no one is too tainted for God. The diverse facets of his style, coupled with his open vulnerable nature draws out and ministers to people both in and outside of the Christian community.
