

Southern California Christian College

STUDENT ADVISEMENT REGARDING ACCREDITATION

We are purely a theological school and are not a member of any regional accrediting body. However, **SCCC** is a member of the Association of Christian Schools International. As a theological institution, we have been granted a religious exemption by the Bureau for Private Postsecondary and Vocational Education. Thus, we grant the degrees offered in our catalog per California Education Code (CEC) Section 94739 (6)(6).
